

Wood County Junior Livestock Show

AG MECHANICS DIVISION

1. Prefabricated or Kit Projects will not be permitted
2. All projects must be in place by 12:00 Noon on Thursday. Judging will begin at 1:00 pm the same day. Projects may arrive earlier with special permission of the host.
3. The Ag. mechanics project must be constructed by a FFA or 4-H member in Wood County, under the supervision of an AgriScience Teacher or County Extension Agent.
4. Project entry forms and entry fees (\$10) must be in the hands of the Ag Mechanics Superintendent by the January meeting . No entries will be accepted after that date for any reason. Bills of materials are due no later than 12:00 noon on the day of the show. Entry Fees are to be listed as an item on the bill of material. Students must supply a notebook to the judge including a simple plan, bill of material, and pictures of students constructing the project. Bills of materials MUST be on the proper form or they will NOT be accepted.
5. All exhibitors with projects in the sale must have a sponsor and bid for the project at the time of entry. The sponsor bid is to be listed on the entry form.
6. Projects listed in the sale must have a stated sponsor starting bid not to exceed \$200.
7. Partnerships on the Ag Mechanics projects will NOT be allowed.
8. One project per individual or partnership. Chapter or Club projects in the sale are limited to five. No limit on chapter or club projects in the open show.
9. Exhibitors must be present during the judging and available to answer questions from the judge about the construction and/or function of the project. Other than show officials, no adults are to be present at the time the projects are judged. If the exhibitor is not present, the project will not be judged and will not be eligible for the sale.
10. The Wood County Livestock Show will not be responsible for projects in case of loss or damage.
11. Judging of projects will be based on:
 - a. Workmanship 300
 - b. Usefulness 200
 - c. Knowledge of the Project by the Student 200
 - c. Design 100
 - d. Originality 100
 - e. Finish 100Total Possible Score 1000
12. Ribbons will be given for each project based on the discretion of the Ag Mechanic judge.
13. The decision of the judge is final.
14. Sale order will be determined by Ag Mechanics Judge. The Ag Mechanics auction will not be separate from the animal auction. The projects will be sold in rotation with the livestock projects.
15. A sale fee of \$100 will be charged for projects sold. This may be off set by the sale of ads.

16. Exhibitors are responsible for delivery of projects within forty miles of the show.
17. Exhibitors must be present during the sale to take projects into the sale area.
18. Any deviation from these rules will require action from the Livestock Show Executive Board.
19. The Ag Mechanics show will consist of two classes.
 - a. Market Class – all entries in this class will be sold.
 - b. Open Class – these entries will not be judged, but will be sold after the individual projects are sold in rotating alphabetical order by chapter or club. Open category projects will be displayed separate from the market category projects. The 3% commission still applies or the fees may be offset by the sale of ads. Entry forms are required but no fees.
20. Agricultural-related restoration projects may be exhibited in the Open Class. They will not be judged and will not receive awards.
